Projects

MineFinder

Python, SQLite3 | GitHub/Live URL

- Developed a command line program game that allows users to reveal and flag mines.
- Created test cases, a database, documented areas for improvement.

Experience

Software Developer Trainee

Base Camp Coding Academy | Water Valley, MS | May 2026 – May 2027

- Develops full-stack web applications using Python, Django, JavaScript, HTML, CSS, SQL, Git, and GitHub while collaborating in Agile development through version control, pull requests, debugging, and software development best practices.
- Presents technical projects and solutions to instructors, employers, and community partners, demonstrating strong communication, teamwork, and problem-solving skills.

Relationship Banker II - Head Teller

Trustmark Bank - Oxford, MS | 2026 - Present

- Managed branch vault operations and high-volume cash handling, maintaining 100% accuracy in daily reconciliations, cash shipments, and compliance with security, audit, and regulatory standards.
- Strengthened branch performance by identifying customer financial needs, reviewing complex transactions, generating product referrals, and mentoring team members on sales strategies, customer service, and operational best practices.

Office Automation Assistant

USDA - Oxford, MS | 2023 - 2025

- Managed administrative operations, financial processes, and human resources functions, including records management, purchasing, procurement, payroll, onboarding, and policy administration while ensuring compliance with federal regulations and agency requirements.
- Improved office efficiency by streamlining administrative processes, coordinating executive schedules, travel, meetings, and communications, and supporting fast-paced front-office operations with exceptional accuracy and organization.

Education

- Certificate of Completion, Base Camp Coding Academy | Expected May 2027
- Master of Business Administration - Human Resources Leadership, Walden University | December 2022

- Bachelor's of General Studies (Minors: Elementary Education, Math Education, African American Studies) - University of Mississippi | May 2018
